

Song title

8 days a week
A heart in New York
After the goldrush
Air that I breathe
All I have to do is dream
All shook up
All you need is love
Always on my mind
America
American Pie
Angels
Annie's song
Another day in paradise
Baby can I hold you tonight
Back in the USSR
Bad moon rising
Better be home soon
Blowing in the wind
Blue suede shoes
Bridge over troubled water
Brown eyed girl
Brown eyes blue
Bye bye love
California Dreaming
Candle in the wind
Carolina
City of New Orleans
Closing time
Country Roads
Desperado
Dirty old town
Distant sun
Dust in the wind
Fast car
Ferry across the Mersey
Fifty ways to leave your lover
Fire and rain
Flower of Scotland
Four seasons in one day
Guitar man
Have you ever seen the rain?
Heart of gold
Heartbreak Hotel
Helpless
Hey Jude
Homeward bound

Hound dog
I can see clearly now
I have to say I love you in a song
I saw her standing there
I was only joking
I'm a believer
If I were a carpenter
If you could read my mind
Imagine
In the air tonight
Into temptation
It's only natural
Just the way you are
Killing me softly
Knocking on heaven's door
Landslide
Landslide
Leaving on a jet plane
Let it be
Like a hurricane
Little help from my friends
Living doll
Love is all around
Loyal
Maggie May
May you never
Mellow Yellow
Message in a bottle
Millworker
Money money money
Mrs Robinson
Nights in white satin
Norwegian wood
One of us
Only you
Patricia the stripper
People are strange
Proud Mary

Stand by me
Streets of London
Stuck in the middle with you
Sweet baby James
Sweet home Alabama
Take it easy
Talking about a revolution
Tears in heaven
Tequila sunrise
The 59th bridge street song
The boxer
The first cut is the deepest
The gambler
The joker
The L and N don't stop here anymore
The needle and the damage done
The only living boy in New York
The river
The weight
The year of the cat
They shoot horses don't they
Three times a lady
Time in a bottle
Times they are a-changing
Weakness in me
Weather with you
What it's worth
Where do the children play
Where do you go to my lovely?
Wild mountain thyme
Wild rover
Wild world
Wish you were here
Wonderful tonight
Wonderful world
You can close your eyes
You've got to hide your love away
Your song
